

10/28/16 ~ Message from Murphy

Hello Class of 2020!

I hope you are all sleeping in as I send this message, and that you enjoy the extra day of no school. Use the time to catch up on rest, any assigned work and to have some fun!

A few notes (in Halloween colors ☺) related to recent questions that you and your classmates have been asking:

***You can take Driver’s Ed second semester if your birthday is on or before JANUARY 26th. If you need this class added to your schedule, email or come see me ASAP. There are limited seats available, and this class change will take the place of a current elective.**

***If you are interested in working before you are 16, you can pick up paperwork to process a worker’s permit in the Counseling Office. The information required for you to get a work permit includes:**

- 1. Copy of your birth certificate**
- 2. Copy of your social security card**
- 3. Note from your parent stating you have permission to get a job**
- 4. Note from employer stating your name, position being hired for and number of hours you will work.**
- 5. Application form for the permit**

Prize alert: What is your favorite Halloween candy?

Reply to this message by November 1, and you will win a small prize!!

**Other reminders:**

To calculate your semester grade, which will be complete in December, follow the formula below.

$$Q1 + Q1 + Q2 + Q2 + \text{semester exam} = \underline{\hspace{2cm}}/5 = \text{Semester grade}$$

- ✓ **Q1 = Quarter 1 grade, Q2 = quarter 2 grade**
- ✓ **Semester grades are permanent and reported on your transcript.**
- ✓ **There are two semesters each school year.**
- ✓ **Your semester grades are what determine your Grade Point Average (GPA).**

**Quarter Two Tips:**

- \*Be here every day!**
  - \*Complete every assignment – partial credit is better than no credit!**
  - \*Communicate with your teachers or me if you have any questions about class work or school procedures.**
  - \*If you haven’t signed up yet, please sign up for my Class of 2020 Remind group.**
- Text this message: @2020te to this phone number 81010**
