Extra Warm Greetings Class of 2024!

I hope you are continuing to have a great first quarter of high school. There are only TWELVE school days in the month of November, being present in class this month is important! Second Quarter Midterm is November 12. If you have missing assignments, NOW is the time to get caught up.

Remember, Passing Classes = Credits towards graduation!

## Continued Reminders:

**\*\*Stay informed of your grades & any missing assignments by checking Tyler once a week\*\***

**\*\*Touch base with teachers during their office hours or by email if needed\*\***

**\*\*Your focus right now should be on attending school EVERY DAY & completing all of your work\*\***

**\*\*Check school email at least once a week for news from teachers, me, & other school contacts\*\***

## Upcoming Quarter 2 Visits:

I will be back in Freshman English classes the week of November 9 to start working on career planning with students. I will introduce you to Naviance and provide everyone with login info. Naviance will help us explore career options, create plans for after high school, and begin looking at colleges if that is part of your plan. I am hoping to have time for a quick, fun personality assessment as well!

## Schedule Corrections for 2<sup>nd</sup> Semester:

Email any requests for a 2<sup>nd</sup> Semester schedule change to me no later than Friday, December 4<sup>th</sup>.

## Upward Bound Program Opportunity:

Upward Bound is a program through SIU to help students develop the skills and motivation necessary to enroll in college after high school. They will mentor students throughout the school year and provide a six-week summer program where you could earn college credits and visit different college campuses. Interested students should meet at least one of the following: be a potentially first-generation college student (neither parent has received a Bachelor's degree) and/or

meet the income guidelines established by the U.S. Dept. of Education. If you are interested, please complete this FORM.

Remember, I am here to assist with any and all questions related to:  
CLASSES, GRADES, PERSONAL CONCERNS, AND COLLEGE & CAREER PLANNING.

You can pretty much ask me anything & I will do my best to find you the answer!

You can schedule a meeting with me HERE or send me an email!

Remember to bring your best self to school each day!

Have a fantastic weekend and rest up for another great week next week!
