

Freshman Class of 2026

Mrs. Krutsinger

Summer Credit Recovery

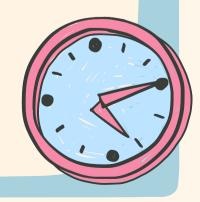

- Make sure your grades passing, let's finish strong!
- If you fail a required class, I highly recommend summer credit recovery
- Summer Credit Recovery will:
 - Help you get back on track for graduation
 - Be better prepared for class next year
 - Get you into chosen electives next fall instead of repeating failed classes

Credit Recovery will be offered for three weeks, Monday-Friday.

- Session 1: June 5th-June 9th
- Session 2: June 12th-June 16th
- Session 3: June 20th-June 23rd
 - (June 19th is a holiday, no classes)

Recover credits in English, Math, & Science.

- Take FUN classes at CCHS this summer (FREE!!)
- Get to know teachers and staff, other students, and the campus
- Students will receive breakfast, lunch, snack, a free t-shirt, and prizes!

For Summer Enrichment, we will be offering three one-week sessions, Monday-Thursday. There will be no Friday classes.

- Session 1: June 5th-June 8th
- Session 2: June 12th-June 15th
- Session 3: June 20th-June 22nd (June 19th is a holiday, no classes)

Summer Driver's Ed

Eligible students were emailed in March. Look for an email from Mr. Graham.

You must pass 8 or more classes in two semesters to take Driver's Ed.

Official schedules will be created over the summer and a call will go out by the end of the summer informing students they can check their Student Portal for their schedule. This will be the schedule they follow the first day of school.

- If you failed a required class, it has been put into your requests
- If you fail even one semester of math, you must re-take the ENTIRE year unless you complete Summer Credit Recovery

*Sports Physicals - June 1st from 12:30-3:00 p.m.

4-Year Planning • Create or edit your 4-year plan: Studies, 2 Foreign Language • NCAA Athlete Division I or II:

- o This helps make sure you can fit in all of the classes you need and want to take
- Recommended classes for college bound students:
 - o 4 English, 4 Math, 3-4 Science, 3-4 Social
 - o Complete a total of 16 core courses in the following areas: 4 English, 3-4 Math, 2-4 Science, 2-4 Social Studies, Foreign Language
- Consider Dual-Credit Options to earn college credit while in high school (after 10th grade)
- Choose classes that are going to challenge you
- Utilize Early Bird options to fit in everything you'd like to take
- Think about your future career goal and choose classes that will help you in that direction

Summer to-Do List

- Begin your research on colleges you may be interested in
 - Think about location, size, admission requirements, cost, majors, etc.
- Start a list of all extracurricular activities, volunteer activities, leadership positions held, awards received, important dates, etc. for applications
- Volunteer
- Learn about requirements for careers of interest
- Consider college sponsored summer camps
- Get involved in fun activities
- Find a summer job
- Read
- Relax & Have Fun!!

Student Profiles

<u>College Search</u> <u>Step-By-Step</u>

khan Academy

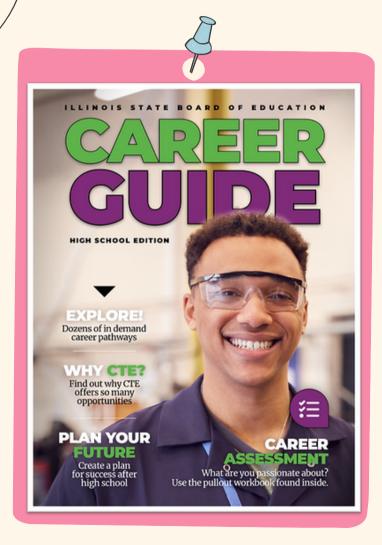

You can learn anything.
Build a deep, rock-solid understanding in math,
grammar, science, history, SAT®, AP®, and more.

Created by experts, Khan Academy's library of trusted, standards-aligned practice and lessons covers math K-12 through early college, grammar, science, history, AP®, SAT®, and more. It's all free for learners and teachers.

Students practice at their own pace, first filling in gaps in their understanding and then accelerating their learning.

Career Guide

All new for the 2022-23 school year, The Illinois State Board of Education has once again produced the ISBE Career Guide, meant to better educate students, parents, counselors and teachers on various career paths available to students right here in Illinois.

Have a great summer!
